WHO WE ARE

**501(c)3 Non-profit organization** - The mission of the Connecticut Green Building Council (CTGBC) is to accelerate the healthy, resilient, equitable, and sustainable transformation of Connecticut’s built environment

**Local chapter** of the United States Green Building Council (USGBC) and **regional partner** of the International Living Future Institute (ILFI)

**Our membership** includes professionals with diverse expertise including developers, contractors, planners, activists, architects, landscape architects, engineers, consultants, manufacturers, utilities, realtors, health professionals, academics and more.

WHAT WE DO

**Build community**
- Convene a diverse group of professionals around a common cause.

**Education**
- Provide programming for all aspects of high-performance building and a sustainable built environment.
- Exclusive Green Professional Building Skills Training (GPRO) provider in CT, a comprehensive sustainable training and certificate program for the building trades.
- Exclusive provider of ILFI content in CT.

Advocacy
- Advocate to state and local government for policy that will have the greatest impact on our mission to accelerate positive change.

Flagship events
- CTGBC Annual awards program showcases and recognizes outstanding projects, people, and organizations that promote sustainability.
- Northeast Summit for a Sustainable Built Environment (NESSBE) biennial regional summit to facilitate a conversation about sustainability in the built environment. Website: nessbe.net
